

ARE YOU LOOKING FOR A FUN & NEW WAY TO
FUNDRAISE THIS YEAR?

We can help...

HOW DO YOU BENEFIT FROM HOLDING A FUNDRAISER?

You will receive \$2 per keyring sold as cash back.

Why not offer your parents the opportunity to order their children a keyring with their own name on it. Each keyring is individual with the choice of many colours, then add a sports bead or a heart or butterfly to finish it off! Keyrings are available *ready to hang* on your bag or in a *kit format* with easy to follow instructions.

Running a Hooked on Names fundraiser is easy to do, we will do all the work for you - with standard order forms and personalised online ordering options to choose from, and all orders are individually pack and labelled for distribution.
